

## Lesson: Practice Exercise

Practice: Share a design.

### Learning Objectives:

- Create a share link.

### Step 1: Share a design

<ol style="list-style-type: none"> <li>1. Continue with the Wooden Votive Holder file in the Model Workspace.</li> </ol>	
<ol style="list-style-type: none"> <li>2. Select File &gt; Share &gt; Share Public Link.</li> </ol>	
<ol style="list-style-type: none"> <li>3. Turn on the “share latest version...” option as well as any other options you would like.</li> </ol> <p><b>Note:</b> If you ever turn the share link option off the link won't be valid and your files can't be viewed through the link.  <a href="https://a360.co/2IMZjWD">https://a360.co/2IMZjWD</a></p>
