Lesson: Collaboration with other users

In this lesson, you will invite other people to access your file.

Learning Objectives:
- Invite a user to a project.

Step 1: Invite a user to your project.

1. Carry on with the file from the previous example. Expand the Data Panel and click on the People tab. Note that you can enter an e-mail address to invite other people to access your file.	
2. Click on the Data tab then minimize the Data Panel. Save the file.
